

# ONE GREAT NEIGHBOURHOOD

# Northmoor

## What we've been up to in your neighbourhood

Great Places staff met with over 300 residents and other members of the Northmoor community on 12 May 2015 to find out what's great and not so great in your neighbourhood.

## Our partners

Great Places are proud to work in partnership with Northmoor Community Centre, Roma Voices, Ward Co-ordinators, Community Guardians and...

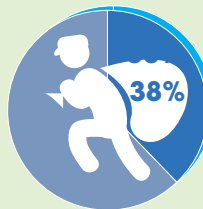

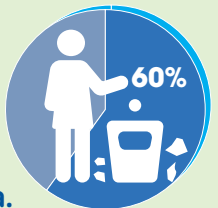

Together we're creating great communities.

## What you told us:

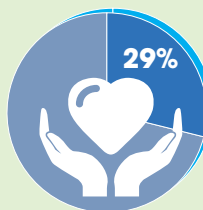

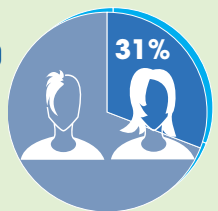

You would like to see improvements in the following areas:

Local environment – 60% of residents said that there is a problem with litter and rubbish in the area.

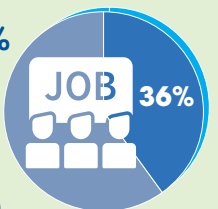

Crime and ASB – 38% of residents said that the area felt unsafe and crime rates were high.

Opportunities for young people – 31% of residents felt that more activities are needed for children or teenagers.

Health and well-being – 29% of residents stated there is a lack of affordable activities and sessions taking place after work.

Employment and training – 36% of residents said work in the area was limited and more information was needed about support available to find a job.

# Northmoor neighbourhood pledge

**Our pledge to Northmoor Residents is that Great Places will work with the local community and key partners to:**

Work with the local community and shops to improve the cleanliness of the local environment and reduce problems with litter, fly tipping and associated pest and vermin problems

Build community relationships and community spirit between residents  
Provide support for residents struggling to afford to heat their homes  
Complete targeted kitchen and bathroom improvement works to identified properties

Increase the number of sport/exercise opportunities for young residents  
Promote opportunities for volunteering and increase the number of residents in employment, education or training

Improve the appearance of communal areas by carrying out environmental works

Improve the health and well-being of residents  
Reduce residents' fear of crime and nuisance

Work with Manchester City Council to improve private sector accommodation available in the area.
